1L Diversity & Inclusion Fellowship
2020 Summer Program

Bracewell actively recruits candidates with a demonstrated interest in supporting historically underrepresented groups in the legal profession as part of its efforts to foster an inclusive workplace. It is with this in mind that the firm offers up to two merit-based fellowships to first-year law students who are particularly committed to diversity and inclusion. Successful applicants to the program will receive up to a $15,000 award as well as a paid summer associate position in our Houston office. The amount of $7,500 will be paid in the first paycheck as a first-year summer associate. An additional $7,500 is contingent upon receiving and accepting an offer to return to the firm as a second-year summer associate, to be paid at the completion of the second summer clerkship.

Selection Criteria:

The 1L Diversity & Inclusion Fellowship Program is open to first-year law students enrolled full-time in an ABA-accredited law school who have not received a similar diversity-focused award from another law firm for the same time period, and are U.S. citizens or otherwise authorized to work in the United States. Successful applicants will have demonstrated the following: strong academic achievement in college and law school, significant personal achievements, leadership ability and community involvement, and a commitment to diversity and inclusion. Hotel and airfare associated with finalist interviews will be reimbursed by Bracewell.
